RE: The Vessel "Patriot"

Dear Aldermen:

The Vessel "Patriot" was built in approximately 1939 and lastly purchased by the City in late 2004. The "Patriot" has been a fixture at the Riverfront Park area since that time. The City has recently been advised that that the vessel is no longer useable, and any repairs would be deemed inadvisable based on the cost and the vessel's usefulness.

Based on the extent and cost of repairs, the "Patriot" has a value of less than \$20,000.00. In consideration of the vessel's usefulness and factoring in cost of any interim repairs, it is my recommendation that the Patriot be disposed of in the manner most advantageous to the City.

Sincerely,

A handwritten signature in blue ink that reads "Joe A. Smith".

Joe A. Smith  
Mayor
